

# CAPABILITY STATEMENT

## E2 PROJECT MANAGEMENT LLC

Since 2005, E2PM has been providing services to protect and improve the quality of life through responsible engineering, project management, sustainable environmental management, brownfield redevelopment, and infrastructure design. E2PM is a Small Business Enterprise (SBE) headquartered in Rockaway, NJ with an additional office in Manasquan, NJ. E2PM lead engineers are licensed professionals with a depth of engineering experience encompassing all aspects of design. E2PM has supported building and facility renovations, additions and new construction with the following services: land use and planning; zoning applications; civil/site and infrastructure engineering; structural engineering; architectural engineering; telecommunications; land surveying services and environmental compliance. E2PM staff has extensive engineering experience in all types of federal and state facilities for the DOI, NPS and DOD. Its projects have included dams, levees, hydraulic control structures and their associated outlet works, fire towers, spillways, pump stations, and general infrastructure.

### CORE COMPETENCIES

- Engineering Services (Civil, Structural, Marine)
- Environmental/Brownfields Services
- Ecological/Natural Resources Services
- Environmental Permitting Services
- Cultural/Archaeological Services
- Telecommunication Services
- Support of Excavation – Structure Monitoring Services
- Land/Site Development Services
- Linear/Utility Development Services
- Parks, Recreation & Waterfront Services
- Construction Management & Support Services
- Industrial Hygiene Services
- Land Surveying Services
- Residential Development / Septic System Services

### DIFFERENTIATORS

- Certified Small Business Enterprise (SBE)
- Professionals licensed in multiple states
- Highly competitive cost structure
- In-house, multi-disciplined capabilities
- Strong client relationships
- Excellent customer services/communication
- Superior and consistent performance
- Broad range of experience in NJ NY and PA
- Produce quality, coordinated, and buildable designs, drawings, specifications, and reports

### EXAMPLE FEDERAL & STATE CLIENTS

- U.S. Army Corps of Engineers (ACOE)
- U.S. Federal Aviation Administration (FAA)
- U.S. Army Armament Research and Development Center (ARDEC) at Picatinny Arsenal
- U.S. Department of Interior
- U.S. Fish and Wildlife Service
- U.S. National Park Service
- NJ Dept. of Military and Veterans Affairs (NJDMVA)
- NJ School Development Authority (NJSDA)
- PA Department of General Services (PA DGS)
